

Historic Wilmington Foundation's 2021 Preservation Awards *Nomination Form*

**Completed nominations must be received by March 19, 2021
Incomplete submissions will not be accepted.**

Suggested Award Category

- Adaptive Reuse:** *a building that has been preserved and revamped for a purpose other than its intended original use*
- Rehabilitation:** *a building that has been fixed up with a respectful nod to history yet not necessarily faithfully restored*
- Appropriate New Construction Reuse:** *a building that, although new, fits in seamlessly with its historic neighbors*
- Restoration:** *a building that's exterior has been brought back to its original glory, with great effort taken to replicate use of materials employed at the time of construction*
